One file, every platform quick rules

- Draw big and square on a **transparent background**, then scale down per platform.
- Check your art at **28 px** — the smallest Twitch size. If you can't read it there, simplify.
- Animated for Twitch? Keep it ≤ 60 frames and no strobing.
- Free, in-browser: **Twitch emote resizer** (Twitch, Discord, 7TV, BTTV in one go)
- **Kick resizer** · **7TV resizer** · **Emote checker**
- No sign-up, nothing uploaded.
